

## Application for High School Student Service Scholarship to Honduras, July 19-25, 2020.

It is imperative that you have read the FAQs on the website:

<https://sscfacilities.wixsite.com/weathermatic/faq>

This will cover unsanitary conditions that you will face on the trip (getting dirty, intense heat, schedule, restrooms, food, etc.). If you cannot participate in a trip with these conditions, please do not apply.

First Name:

Last Name:

Do you have a valid passport?

You will be responsible for the information covered in the Frequently Asked Questions (FAQs).

Have you read the FAQs on the website?

1.) Write a brief autobiographical sketch as if you were writing a letter introducing yourself to the team you will be working with.

2.) Please write an insightful paragraph thoughtfully explaining the reason(s) you are interested in participating in this trip.

3.) Please explain any links between the trip opportunity and your future career interests.

4.) Describe your experience with service projects and/or community service.

5.) What impact do you think you could bring to the community you will be serving?

6.) Although previous travel experience is not required for selection, please describe your travel experiences (both global and/or domestic).

7.) We will be serving in one of the poorest countries in Central America, and likely be serving in a village area without water, electricity or traditional restrooms. Our team will be interacting with members of the village as we build relationships and provide education and encouragement.

**Please briefly answer the following:**

a.) How will you build relationships in this setting?

b.) How will you show compassion in this setting?

c.) Do you have any concerns about this setting?

8.) Describe any special skills you have that may relate to this service trip opportunity.
